We the class of 1957 dedicate the 1957 "Bark" to Mr. Lashier and the 1956-57 school board. Mr. Lashier has been the Superintendent of the Lytton Community School for the past seven years. His thoughtfulness, kindness, understanding, and service to the school and community will long be remembered. Mr. Lashier has spent many hours, days, and weeks preparing the plans for our new school addition for which we are very grateful. We would also like to dedicate our annual to the school board for all the work they have done in planning the new school building, which would not have been possible without their co-operation. They, too, have given their time in service to the school and community.

OUR PATH TO GRADUATION

On September 3rd, of 1945
The greatest day of our lives had arrived.

Our first day of school, how excited were we
To begin to learn our ABC's.

Next came reading and arithmetic
Which we all mastered very quick.

Telling time was always fun,
Especially telling how OUR home was run.

Of course, we were always as good as could be.
We never threw snowballs at anything but trees.

As the years passed by and we grew older,
We became better acquainted and quite abit bolder.

Six years soon had passed us by,
And we faced entering Jr. High.

How important we felt as we walked through that door!
Why we didn't even need recesses anymore!

At eighth grade graduation, we all felt real proud,
When handed our diplomas before a large crowd.

We finally were freshmen, a moment greatly awaited,
How successful we'd be, was only debated.

Initiation day we'll always remember
Wearing those overcoats that hot day in September.

As sophomores we had our ingenuity displayed,
Our float won first place in the homecoming parade.

A great big success, we're all proud to say,
Was our Jr.-Sr. Banquet, "Stars Over Broadway".

Very few dull moments did we ever find
With music, speech, and sports of all kinds.

At last we were seniors, oh what a great thrill,
We could now boss the freshmen at our own pleasure and will.

The night of commencement, we were happy and sad,
Especially when congratulated by each mother and dad.

These twelve years at Lytton we'll never regret.
All our memories and friends we'll never forget.

One parting word before our school work is done,
"God bless you each and everyone.

Bless us all too, and let our mottos all read,
We have followed; now we lead".

Class colors: Flamingo and White

Mrs. Alexander played the processional and recessional. Pat Ringgenberg and Tom Jones were chosen to lead the class.

HISTORY

The school was invaded by an army of 24 strong of which only 8 of the original have survived. The roster of recruits were as follows: Edward Huster, Edward Armagast, Rhonda Demien, Dixie Erhart, Janice Ewoldt, Terry Hull, Judy Kreft, Darlene Matter, David McCaulley, Kenny Meusburger, Donnie Plain, June Reichert, Don Ringgenberg, Karen Ringgenberg, Dennis Schoneboom, Dennis Snyder, Delbert Vanderheiven, Leona Williams, Larry Vauble, Sandra Vauble, Ronald Wurn, Warren Sigwalt, Jimmy Simpson, Ronald Freisiner. All twelve battles were fought long and hard.

The first campaign started September 3rd, 1945, with Mrs. Blakey as our Commander and Chief. We were just green recruits at the time, but we won with few casualties. After three months of rest from the front lines, the call for fresh material was again sounded and our small but rugged group came to meet the test. It followed this same pattern for twelve years-nine months of terrifying battle with three months of rest away from the front lines. The battles continued for six more years. We had fought our way to the top and we now were ready to make a spear head into high school. Those on the roster in 1953 were: Dwight Carlson, Ronald Cleland, Rhonda Demien, Kenny Ellis, Janice Ewoldt, Karol Hass, Marcia Hull, Edward Huster, Delbert Kreft, Judy Kreft, Karen Landsness, Jovonna Lott, Darlene Matter, Kenny Meusburger, Leroy Meyer, Carol Murphy, Robert Phelps, Don Ringgenberg, Ray Snyder, Luthern Watermen, and Leona Williams. We had a few changes in the lines during the next four years those gained were Richard and Shirley Duitsmen, Jim Frazier, Ray Snyder, Ralph Beck and Billy Devitt. Those lost in action were Carol Murphy, Ray Snyder, Karol Hass, Luthern Watermen, Jim Frazier and Richard and Shirley Duitsmen. Twenty trained soliders received diplomas May 24th, 1957. They were: Bob Phelps, Kenny Meusburger, Eddie Huster, Karen Landsness, Leroy Meyer, Rhonda Demien, Ronald Cleland, Janice Ewoldt, Ray Snyder, Leona Williams, Delbert Kreft, Kenny Ellis, Judy Kreft, Dwight Carlson, Darlene Materr, Don Ringgenberg, Billy Devitt, Jovonna Lott, Marcia Hull, and Ralph Beck.

1957 CLASS WILL

Article One

To our underclassmen we leave the remains of the new school and bid you keep it in excellent repair; and also our pleasant trips to the office.

Article Two

To our teachers, we leave our brilliant sense of humor and our outstanding conduct.

Article Three

Marcia Hull wills her sudden outbursts to Beverly Vauble. Don't go to swearing in class like Marcia did.

Rhonda Demien wills her musical ability to Arthur Lange. All you need is the horn, Art; you have the wind.

Kenny Meusburger wills his M. C. ability to Karen Demien. A joke now and then won't hurt a thing.

Billy Devitt wills his quietness to W.R. Oestreich. There'll be peace in old LHS from now on.

Ronald Cleland wills his skating ability to Marlene Boyd. With yours and Ron's together you might be pretty good.

Delbert Kreft wills his safe and careful driving to Virginia Stone. Now all you need is a car.

Ralph Beck wills his ability to stay home at night to Lynn Phelps. A little sleep won't hurt a thing, will it, Lynn?

Ray Snyder wills his ability to attract the girls to Verlyn Scharn. Pretty soon you will have to fight them off with a club.

Leroy Meyer wills his ability to go to Souix Land to "Fingers" Kruckenberg. Let's see you use it, Larry.

Bob Phelps wills his ability to keep up a discussion in class to anyone who wants it. Also his need for fresh air to Mr. Brunsvold.

Jovonna Lott wills her Plymouth to Judy Hopkins. Maybe it will take you to T.C. and back once in a while.

Karen Landsness wills her spot on Blue Gill Hill to anyone who will make good use of it.

Judy Kreft wills her ability to have two boys call for a date at the same time to anyone who can get by with it.

Eddie Huster wills his wise cracks to Mr. Brunsvold. Maybe you will get a few more laughs.

Janice Ewoldt wills her ability to go steady through thick and thin to Nancy Blair. Get on the ball, Nancy.

Leona Williams wills her life to Arlin Brouchous. Take good care of her, Arlin.

Darlene Matter wills her brother to Marilyn Kreft. Hope you don't have as many fights as Darlene did.

Don Ringgenberg and Dwight Carlson will their frequent trips to Yetter to Don Cleland and Jerry Layman. Everything is better in Yetter.

Kenny Ellis wills his ability to crack his knuckles to Nelda Kreft. Between cracking knuckles and gum, you should have plenty of attention.

Article IV

To the school as a whole, we leave.

CLASS PROPHECY

After Ed and I finished picking peas and drying raisens on our sunny Southern California pea farm, we started on a trip to try and find our old classmates. We jumped in our Ford, filled it with water and started off. We had not gone far when we stopped for an orangeade drink along the roadside. Here were our old classmates, the former Jan Ewoldt and Leona Williams running the stand with the assistance of their husbands. We peeked back into the kitchen and surprisingly saw Bill Devitt as their chief cook and bottlewasher.

We soon left there and were driving down the road when Ed threw his cigarette out the window. However he soon wished he had never done it because a forrester stopped us and was quite shook about the lit cigarette going out the window. He stood there asking questions and it was only then that we realized it was Ralph Beck. After we identified ourselves, Ralph calmed down a bit since we were friends, and said that he would let us go this time.

We again filled our Ford with water and journeyed on our way. As we were carefully driving down the road, an army truck suddenly pulled out right in front of us. We stopped to give them heck for almost causing a collision and then we saw Delbert Kreft, Ray Snyder, and Ron Cleland getting out of the truck. We just talked to them and they told us that they liked their six months in the army so well that they decided to make a career of it. They were all three generals and were looking for promotions any day now. While we were talking, a jet started doing stunts up above us. They told us that Don Ringgenberg had given up the coaching profession and was now a jet jockey.

The next day we were driving through Nevada and discovered that we were out of money. We just happened to be passing by the Casino and so we decided to try our luck there. We walked in and the first thing we saw was our old classmate, Darlene Matter doing a can-can dance. After her dance we went over to talk to her. She said that she was very happy with her job and wouldn't trade it for anything.

It was very dry driving through Nebraska and our old Ford again needed water. We stopped at a service station, and who should come out, but Bob Phelps. He told us that he was happily married to the former Carol Lange and they had seven children. All his children were planning on being mechanics and they planned to have a chain of service stations across the U.S. some day.

Of course we stopped in Lytton on our way through Iowa. When we got there we found that only one classmate had remained there. It was Kenny Ellis who was still farming. He had bought his grampa's farm and was a very successful farmer. He told us that Leroy Meyer had moved to Wisconsin and had taken up dairy farming.

The next day we decided to drive up and see good ol' Leroy and his Holsteins. As we talked to him, he told us that he had given up his trips to Siouxland and finally decided to settle down. He said that he was glad he did because he liked Holsteins better anyway. As we were out of money again, Leroy gave us a job putting up some hay. Sadly enough, Ed got a snake bite and had to go into town to get it doctored. We were surprised to see our old pal Judy Kreft as the nurse. She told us that she liked nursing but she liked California better and she would soon be going out there to settle down.

The next day we went to Chicago because Leroy told us that there were quite a few in our class that were living there. On our way in we stopped at a roadside inn called Heik's Hideaway. We sat down and were very startled when we saw Karen Landsness wiping off the bar. She told us that she had gotten her experience wiping off tables in the school lunch room. Over in the corner Jo Lott was playing a hot piano. Karen told us that Jo had come to help her and John out.

While we were there we picked up a newspaper and saw that Rhonda Demien had taken over James C. Patrillo's job as President of the American Federation of Musicians. However she would still keep on with her trumpet.

As we were driving through Chicago, we saw a place called Marcia's Modeling School. We inquired and found out that Marcia Hull had bought out her old modeling school and had her very own now. While we were talking to Marcia she told us that Kenny Muesburger was now head chemist of the Du Pont Company. We were going to go talk to Ken, but found that he was in Europe for a month for research work.

Since we had seen all of our old classmates we just filled our Ford with some water and headed for home. As we were driving along we said to one another, "Isn't it remarkable how successful all the rest of our classmates are!" We then hurried back to California to start planting next year's pea crop.

SENIOR TRIP

The senior class observed the traditional skip day on May 8. They journeyed to the city of Des Moines. The places visited at Des Moines were: the home office of Banker's Life Insurance, the Register and Tribune office, the State Capital building, WHO TV, and the airport. The group ate their noon meal in the new State Office building. They ate their evening meal at Babes, an Italian restaurant.

It was a very eventful trip and was greatly enjoyed by everyone.

DEDICATION OF BUILDING

A crowd estimated at 1000 persons attended the dedication of the new addition and the remodeling project of the school.

The program opened with the Reverend W. C. Nassen, pastor of the American Lutheran Church, and the welcome by Mr. Lashier. The mixed quartette sang "Bless This House." Superintendent Lashier then introduced guests, after which Grant Voorhees, representing the architects, Smith, Voorhees, Jensen, Silletto and Associates, presented the keys to the building to Ivan Longman, president of the board of education.

Mrs. C. F. Graeber presented a paper, "Then and Now," which carried many back, in thought, to earlier years in the local school system.

A special service was read by Superintendent R. R. Lashier, in which the new kindergarten room was dedicated, honoring the memory of Mrs. Marion I. Fahan, who died last year in an auto crash. A tribute written by the mother of a kindergarten pupil (in Mrs. Fahan's Class) was read.

The Reverend Gordon F. MacLean, pastor of the Presbyterian church, pronounced the benediction, after which Mrs. Albin Alexander sang "The Lord's Prayer".

Open House followed, with the hundreds of guests touring both the old and new buildings. This was sort of a homecoming for many former teachers and graduates, and there was much joy in meeting old friends, as they lingered in the dining room over punch and cookies.

An attractive display had been arranged in the lobby of the new gymnasium, featuring photographs and keepsakes. There was a photo of John Denius, first teacher in the school in 1901; also one of Superintendent E. Clinton Evans, who was here during the consolidation period. An eighth grade graduation picture in 1906; a page from a Lytton Star of 1906 carrying the story of the graduation; and a report card dated 1904. There were also more recent pictures.

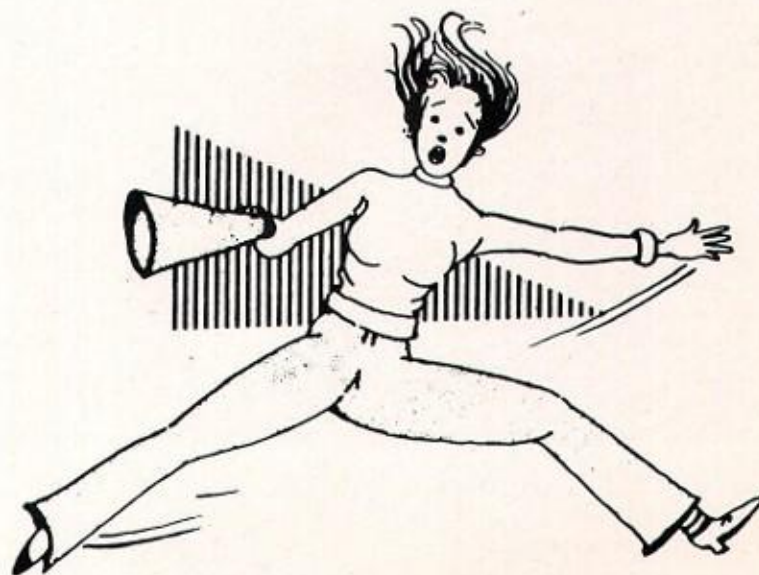

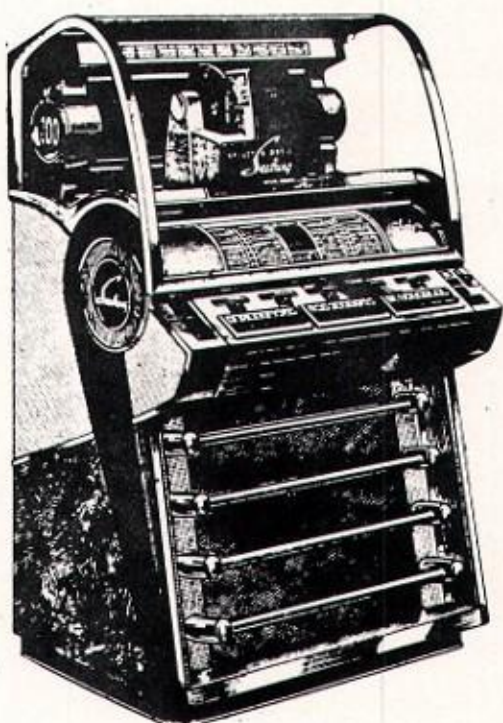

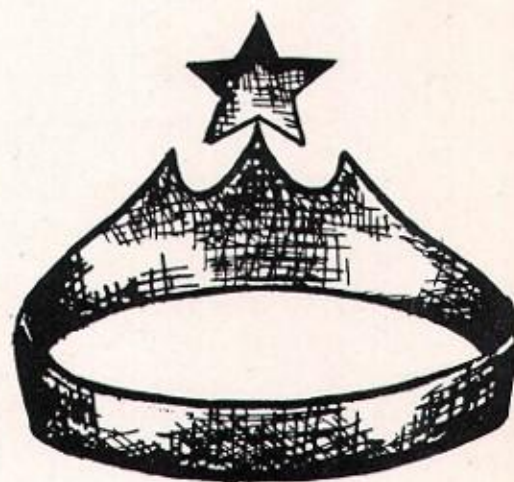

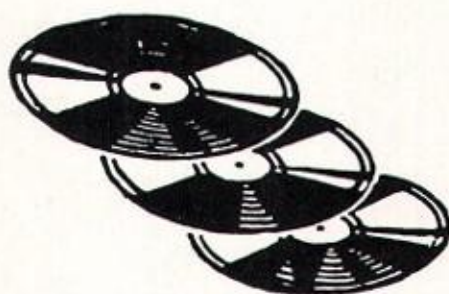

Huge bouquets and baskets of flowers from organizations and business places both in Lytton and Sac City graced the stage, rooms and corridors.

Jovonna Lott with her organ provided music in the dining room as guests were enjoying the refreshments.

About 40 former teachers came for this special occasion.

The first of the 1956 Homecoming events was the pep rally which was held in the hot lunch room October 18, at 7:00. The Lytton football season got under way with 18 men reporting to Coach Gordon Cawelti.

The boys lost the season's opener with Schaller, but the men of the gridiron came back strong and beat Charter Oak the following week 47-6.

The next game was a must as far as winning the conference, since Lake View was a heavy favorite to do so. The game was very close until the closing minutes when the Blackhawks broke loose to score two touchdowns. The score was 19-0.

The next three games were won quite easily with the Bulldogs running up large scores.

Lake View was undefeated; second place would have been Lytton's if they could have beaten Wall Lake but it ended in a tie. Wall Lake having won one more game clinched second place.

When basketball season opened, there were five returning lettermen. They were Don Ringgenberg, Leroy Meyer, Lynn Phelps, Tom Jones, and Leland Hinrichs. The first game was in the new gym with a big and tough Lake View team. This game resulted in a one point loss for the Bulldogs. However this did not affect the season, as the Bulldogs had much desire to win.

Going into the sectional the Bulldogs had a 13-4 won-loss record. In the first game with Gowrie, the team looked a bit stale in both shooting and in defensive work. This could have been attributed to the fact that the team had not played a game for almost two weeks. The second game was with a fast Breda team. Lytton got off to a good start and kept playing a well balanced game. The score at the end didn't indicate the type of game. The game was a tie up until the last two minutes when Lytton finally iced it. The final game in the sectional was with the tournament favorite, Callender. The defensive plans were made and it was obvious that the offense would have to be above average. Lytton took the lead early in the first two minutes, and the team was never behind at any time after that. The Bulldogs played their toughest defensive game and got all their favorite shots as they won, 56-36.

The Bulldogs traveled to Lake City again to play the first game of the district. It was a close game which saw them leading most of the time. With three minutes to play and Lytton ahead, things started to change--the Storm Lake team was red hot. Every shot they attempted seemed to find the center of the hoop. Their ability to shoot 51% in the last half gave them a one point edge when the final horn blew.

The Bulldogs can say they had one of the best seasons that any Lytton team has experienced. The Bulldogs placed two boys on the Bo-Pop all conference team. They were Don Ringgenberg and Leroy Meyer.

The team loses three lettermen--Don Ringgenberg, Leroy Meyer, and Ray Snyder. The seniors feel that basketball prospects look very bright with three returning lettermen--Lynn Phelps, Tom Jones, and Leland Hinrichs.

Second Row: Larry Williams, Don Cleland, Dale Kreft, Leland Hinrichs, Tom Jones, Larry Cross, Joe Patterson, Mr. Weidenfeld.

The baseball team played under two handicaps that greatly influenced their record: They had no diamond for which to play on; all the games were played away from home.

There were eight returning letterman. Of these, three were seniors.

The team went into their first game with three days of practice. This was mainly due to cold weather. Their first game was with a tough Schaller outfit. A large number of Schaller hits and a good share of Lytton errors were contributing factors in Schaller's ability to push over 16 runs. The team's inability to hit, which prevailed throughout the season, gave them only one run.

Lytton played in the sectional tournament which was held on the Breda diamond. They had a shakey first inning which ended 11-1. They settled down and allowed only five runs the remainder of the game. Lytton's only run came when second baseman, Don Ringgenberg, walked, stole second, third and made a fast trip to the plate.

The last game of the season was played at Early. Lytton got off to a good start with some good hitting and held Early scoreless until the seventh. They collected six runs in their half. The most the Bulldogs could produce was the four lone runs that they got in the first.

Lettermen were: seniors, Don Ringgenberg, Leroy Meyer, and Ken Ellis; juniors, Lynn Phelps, Tom Jones, Dale Kreft, and Leland Hinrichs; sophomore, Larry Cross; and freshman, Ralph Schramm.
